Supplemental Correspondence

Ladies and Gentlemen:

Viking Energy Group, Inc. (the "Company") provides the following as a supplement to its previously filed response filed on December 14, 2018, (the "Response Letter") to the comments contained in the letter (the "Comment Letter") of the staff of the Division of Corporation Finance (the "Staff") of the U.S. Securities and Exchange Commission (the "Commission") dated November 14, 2018, relating to the above-referenced filings.

In our response to your comment number 2, we made reference to a mailing directly to your office, of an independent valuation report, as well as an independent engineer reserve report. This supplement is being filed to request that you destroy both of these documents upon completion of your review.

Thank you for your assistance and review.

Sincerely,

Viking Energy Group, Inc.
